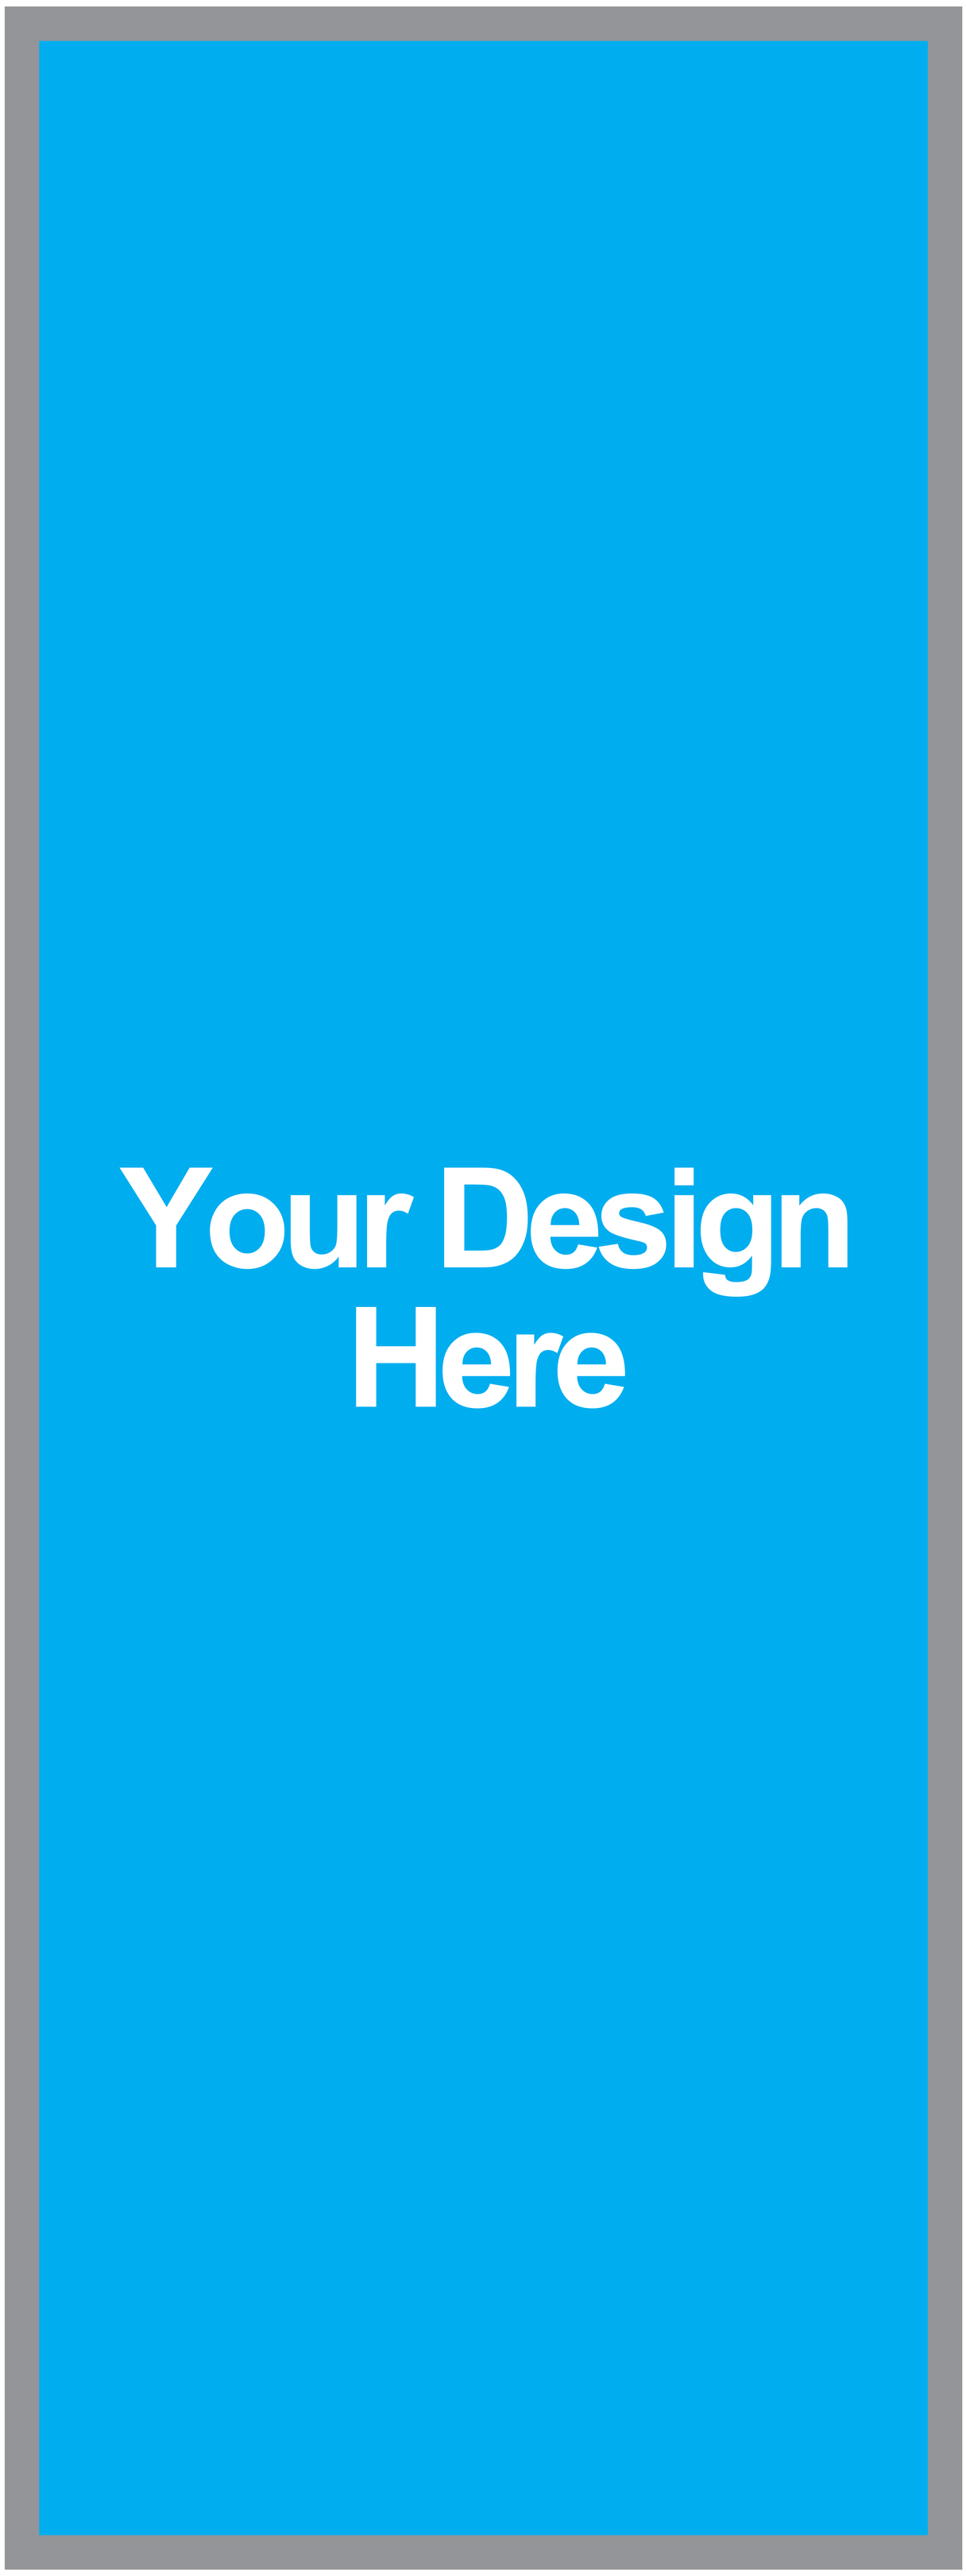
ANLEY®
The Name Guarantees Quality

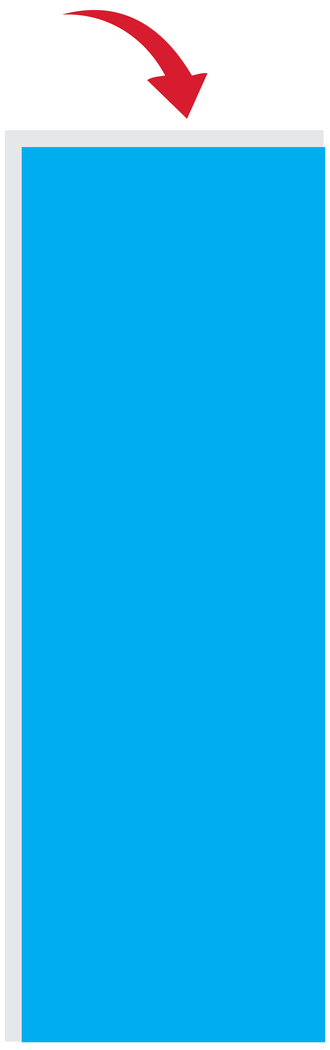
6 Ft Rectangle Flag

27.4" (bleed area)



73.2"
(bleed area)

Please note:
The flag will have a
BLACK pole pocket



TEMPLATE LEGEND

= BLEED AREA

= SAFE AREA

BLEED AREA
27.4"W x 73.2"H
(1" on all sides)

Area of art which used for finishing the product. Background color/image should extend into this area.

SAFE AREA
25.4"W x 71.3"H

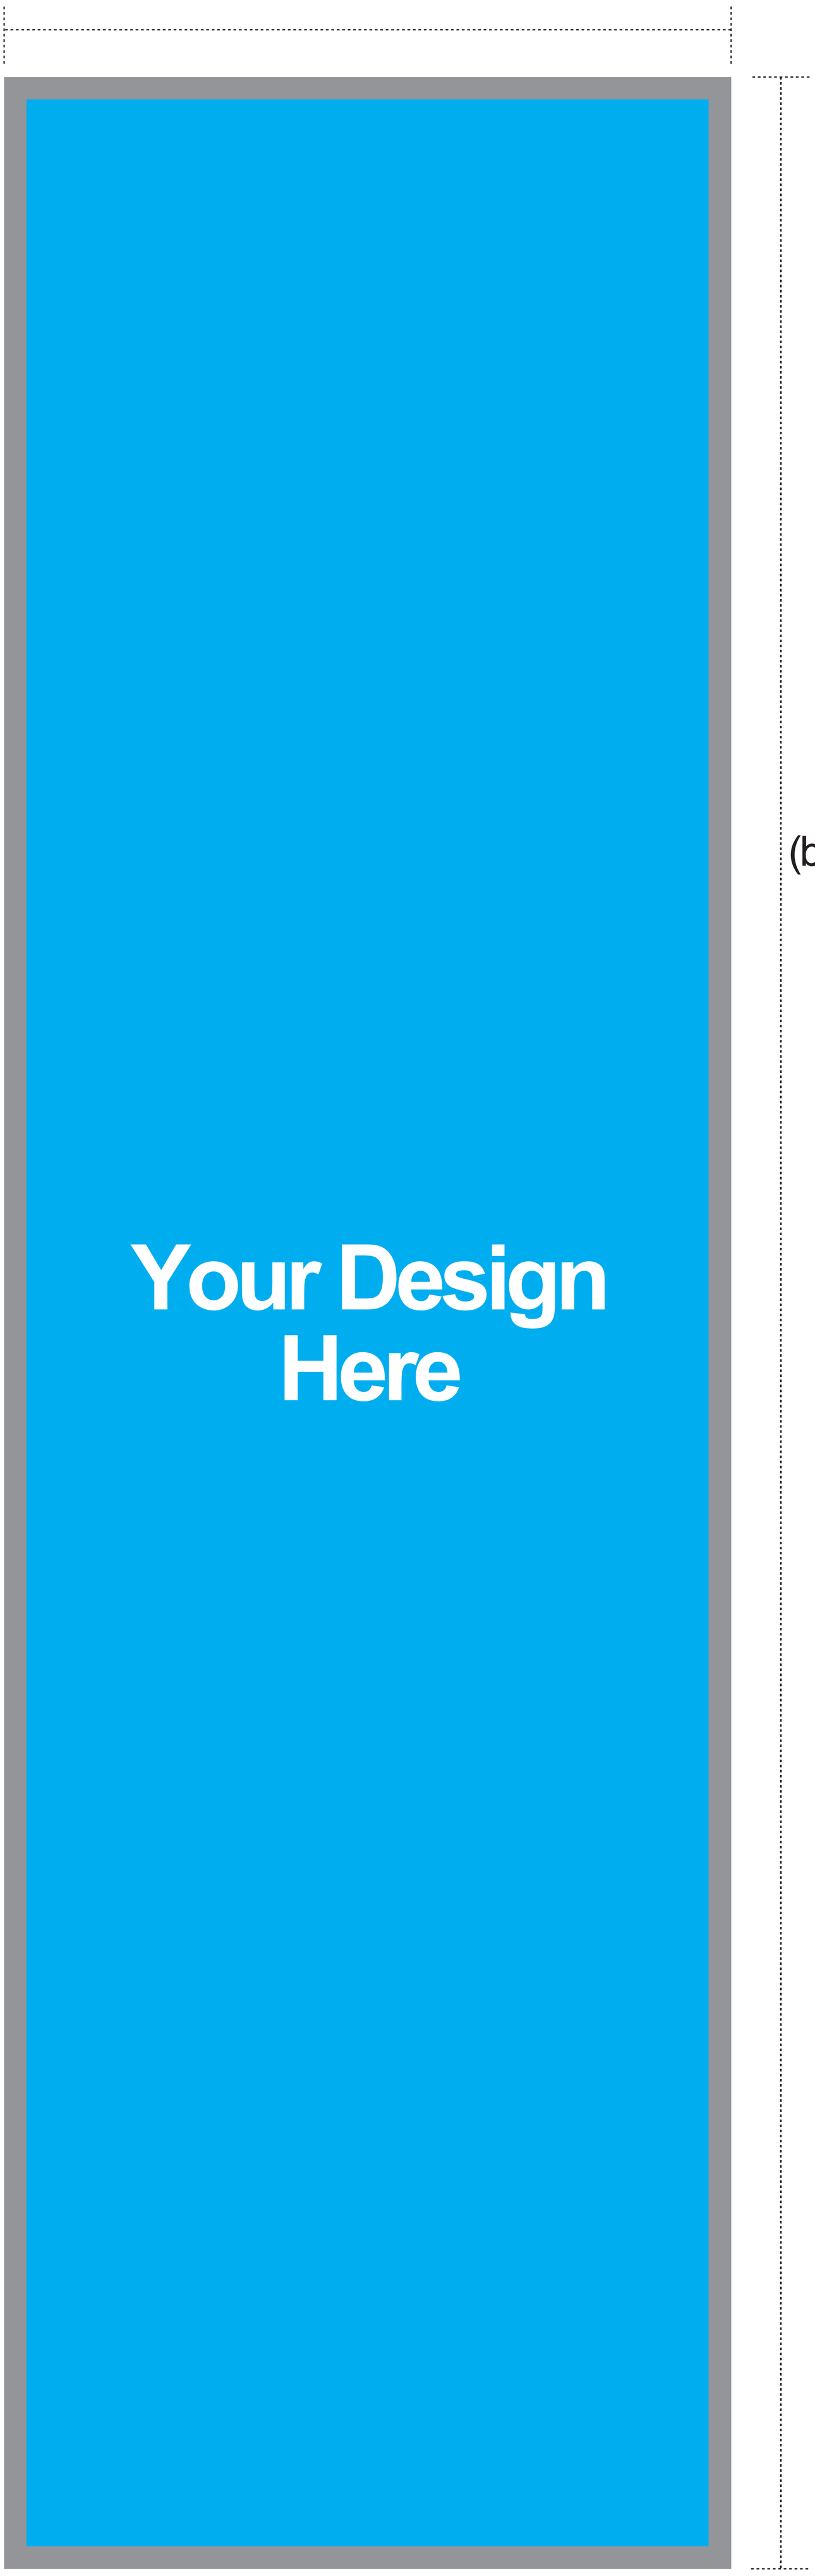
Recommended area to place artwork. Artwork within this area will be safe from the variance in the cut of finished edge or stitch line.

Please set your artwork in **CMYK(4 colors)**, because of dye sublimation products use the 4-color process printing.

- All images must be embedded
- All fonts must be outlined

9 Ft Rectangle Flag

31.9" (bleed area)



109.2"
(bleed area)

Please note:
